

# DIGNITY RESTORED Gravestone Cleaning

**Gravestones** are the final enduring monuments celebrating our family's lives. They remind us what those special people still mean to us and **everything they did for us.**

Honouring family by restoring their monuments shows our **love, gratitude and respect.**

This is one way to **show everyone** the person laid to rest here was **sincerely appreciated.**

# DIGNITY RESTORED Gravestone Cleaning

*This is the least we can do for our family.*

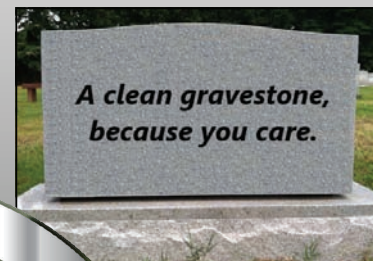

DIGNITY RESTORED carefully restores soiled and weathered gravestones for families who want them brought back to a worthy and dignified condition.

# Gravestone Cleaning

**DIGNITY RESTORED** performs meticulous cleaning of gravestones **by hand** to carefully remove embedded mold, mildew, lichens, biological stains and water stains **using only safe tools and equipment.**

We use the same **approved process and products** used on national cemeteries, monuments and heritage sites.

- No power washing
- No household cleaners
- No abrasives
- No power tools

## LETTER HIGHLIGHTING

Once professionally cleaned, lettering paint can be carefully touched up using both classical and modern techniques for best results.
